H2O APPOINTS ENRIQUE TABARES AS INTERNATIONAL INTERN.

H2O is delighted to announce the appointment of Enrique Tabares, and welcomes him to the team.

Enrique joins H2O as an international intern. Enrique holds a BSc in Chemistry, MSc and PhD in Biochemistry and Molecular Biology from the Complutense University of Madrid and an MBA from Oxford University.

With the assistance of the prestigious European Union Marie Curie Fellowship, Enrique came to England in 2001, where he conducted independent research at the Institute for Animal Health, helping to raise funds for two scientific projects. In 2003 he joined a malaria research team at Oxford University focusing on the development of cutting-edge technologies against this parasite. His drive for innovation led him to join the MBA programme at Oxford University from where he graduated last September 2007.
